Rush glanced from one to the other with her keen, bright eyes. "Not only a handy man," she said, "but a crafty man. Well, you're not the first." "You've already missed it. You'll have to backtrack." summon him. The bond between them that had linked them and let her save him was not broken. Many. Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them. a tall white staff, the horn of a sea beast from the farthest North, stood in the decked prow of. She brought them to a house at the end of a lane. It had been a handsome place once, two stories. "It's nothing," he said. In fact, rather to his annoyance, the cut had stopped bleeding. Dragonfly rolled her head round on her neck, stretching till the vertebrae cracked, stretching out. of his colleagues, no subsequent archmage seriously misused his power to weaken others or. Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizards power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm. "If Roke was now what it once was, known to be strong, those who fear us would come again to destroy us," said Veil. I turned and left. The outer door yielded when I pushed it; the large corridor was almost. The air was darkening around them. The west was only a dull red line, the eastern sky was shadowy above the sea. haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in. smaller and smaller and wail like a stick in the fire, and then all in a moment he was back in. She sat on a while by the Thwilburn. She was troubled by what he had told

her and by her thoughts. There was not much to be got from the people his men brought to him. The same thing again: they carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up. "Yes," he said, "but only disguised. I won't put a semblance-spell on you till we're on Roke Island." had all in some degree that gift; and they shared, in secret, what lore and craft they had. "A.
