But how did Otter know that?.worked and talked and sang the songs, The Winter Carol and The Deed of the Young King. And they. The wind blew in the dry grass..She gazed at him from her unreadable eyes, and finally said, "What must I do?".blue that clung to her like a liquid congealed; her arms and breasts were hidden in a navy-blue."Play the flute," Diamond said promptly, and took out of his pocket the little fife his mother had

given him for his twelfth birthday. He put it to his lips, his fingers danced, and he played a sweet, familiar tune from the western coast, "Where My Love Is Going." "They say," said Ayo from the shadows, "that there's an island where the rule of justice is kept as it was under the Kings..small plate in front of each of us and with two lightning movements threw on each plate a portion.As they coasted that island, he himself put an illusion about Hopeful, so that she would seem not.Silence bowed his rough, thoughtful head..The water shimmered. He felt it first on his thighs, a lapping like the tickling touch of fur; then he saw it, the trembling of the surface all over the pond. Not the round ripples he made, which had already died away, but a ruffling, a roughening, a shudder, again, and again..Power..the limited habitable land available to them. Famine is unknown and poverty seldom acute..fifty or sixty years earlier..what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so then, scratching up the earth a bit, he neatly and delicately buried them. He dusted off his.order of field and garden, the building and care of the house and its furniture, the mining of.time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as.teasing laugh of the girl and stood like a block of wood, rooted in the sand, not knowing whether."Broom's a village sorcerer. This man is a wise man. He learned the High Arts at the Great House.another, and had some knowledge of the True Speech. Sorcery included both base crafts as defined."I know where it is," Anieb said..The sense of huge strength was draining out of her. She turned her head a little and looked down, surprised to see her own brown arm, her rolled-up sleeve, the grass springing cool and green around her sandaled feet. She looked back at the Patterner and he still seemed a fragile being. She pitied and honoured him. She wanted to warn him of the peril he was in. But no words came to her at all. She turned round and went back to the streambank by the little falls. There she sank down on her haunches and hid her face in her arms, shutting him out, shutting the world out.."My mother was born in Endlane, round by Faliern Forest," Otter said. "Do you know that town? She's called Rose, Rowan's daughter."."Things don't mix," he said. "They ought to, but they don't. I found that out. At last she.He brought her into his mind and saw her as he had seen her, there, in that room, and called out to her; and she came."All under here's worked out long since" Licky said. And Otter had begun to be aware of the.I found myself in a forest of fountains; farther along I came upon a white-pink room filled.bookkeeper..little house near the edge of the Thwilburn that runs out of the Grove, and lived there in the."I could fly there as a tern and be back on the ship before daylight," he said to himself, but idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them. He made himself comfortable in his coil of cable and watched the stars. Looking west, he saw the four bright stars of the Forge, low over the sea. They were a little blurred, and as he watched them they blinked out, one by one..Maharion and Erreth-Akbe became "hearts brothers." They spent ten years together fighting the.house than the men of the Marsh. He was easy to talk with, and she told him about the curer, since.buttonless jacket. Her mother, Tangle, made a good living by curing and healing, bone-knitting and.becomes elegant, and what everybody knows is true turns out to be what some people used to think..He changed his shape, he changed his name..But he looked up, not at Ged but at Gift, silent in the hearth corner..Then they were all gone, and he stood alone on the hill, shaken and wondering. "I have seen the.seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern,.could see, behind a small glass pane in the center, the glow of its transistorized heart..beast he touched is standing yet, and hale. Ten days he spent out there in the wind and the rain,.impurities fester and run free from their sores. And then when they're burned clean at last they."Tomorrow," he said, and strode off..benches, seats, an overturned table, and sand, loose and deep; I felt my feet sink into it and found.weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue.They came to the house in Boatwright Street after dark. They kicked the door in, and Hound..I'd tell you mine," she said. "If that... if that's how we should begin..".The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the Sparrowhawk had not gone. I wish I could read what the shadows write. But all I can hear the leaves say is change, change... Everything will change but them." He looked up into the trees again with that yearning look. The sun was setting; he stood up, bade her goodnight gently, and walked away, entering under the trees..with her when he went on. There was a terrible shortage of coppers in her household these days..She shuddered..control a storm, as a ship's weatherworker must do. But he thought he'd rather drown in a gale.And he was easy, he was still, he held fast, rock in rock and earth in earth in the fiery dark of the mountain..him I'd retire" he said. "I think I'll do that myself..".Memory, memory," Hemlock said. "Talent's no good without memory!" He was not harsh, but he was unyielding. Diamond had no idea what opinion Hemlock had of him, and guessed it to be pretty low. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships and houses, purifying wells, and sitting on the councils of the city, seldom speaking but always listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and dying of South Port. Hemlock was glad to let him do so. His own pleasure was in studying and, as far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock said, and, "Knowledge, order, and control." Those words he said so often that they made a tune in Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Paln its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all..They didn't punish him, but kept his wild powers bound with spells until they could make him listen and begin to learn. It took them a long time. There was a rivalrous spirit in him that made him look on any power he did not have, any thing he did not know, as a threat, a challenge, a thing to fight against until he could defeat it. There are many boys like

He looked up startled and did not know what had touched."When I said that. . .".I can protect you here, and have done so. On Roke, of course, you'll be perfectly safe. The very walls, there...But if you go home, you must be willing to protect yourself. It's a difficult thing for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has not yet seen its true goal. I very strongly advise that you not take that risk. Write your parents, and go to the Great Port, or to Roke. Half your year's fee, which I'll return to you, will see to your first expenses."
